

Dear Parent/Guardian,

Your student's school has invited the **No Regrets** Sexual Risk Avoidance Education program to present its curriculum. **No Regrets** mission is to empower youth through Abstinence Education by equipping them to make good choices that will positively affect their future goals. We believe that saving sex until a committed, faithful marriage relationship is the best way to protect against the possible emotional and physical problems that can result from premarital sexual activity.

We encourage you to talk with your child during this series and we invite you to participate in any and all classes if this is your desire. We understand that the subject matter that will be discussed is sensitive and we make every effort to present the matter on grade-appropriate levels. Further information regarding the **No Regrets** presentation can be found on our website www.noregrets4me.org.

If you have any questions, you may contact **No Regrets** at 208-466-4000 or via email at noregrets4000@gmail.com

Sincerely,
No Regrets Staff
